

International Symposium on Resource Recycling and Reuse (ISRRR 2008)

2008 資源循環再利用國際研討會

Time	Topic	Speaker	Chair
08:10~08:30	報到 Registration		
08:30~08:40	Opening and Welcome Remark 開幕致詞		成功大學 副校長 黃煌輝 教授
08:40~09:20	Introduction of Environment Conservation Research Institute in Tohoku University	Prof. Shuichi Oi Environment Conservation Research Institute, Tohoku University, Japan	Prof. J.E. Chang 成功大學永續環境科技研究中心主任 張祖恩 教授
09:20~10:00	Treatment of liquid waste from universities and schools – challenge and opportunity	Prof. T.Y. Tsai 蔡宗岳 Hiroshima University, Japan	
10:00~10:20	Coffee Break 休息		
10:20~11:00	Metal Aluminum Recovery and “Green-Hydrogen” Production from Aluminum Dross	Prof. Shuji Owada Department of Resources and Environmental Engineering, Faculty of Science and Engineering, Waseda University	Prof. S.L. Lo National Taiwan University 國立台灣大學 駱尚廉 教授
11:00~11:40	The Status of the Recycling of Rare Metals Scraps in Korea	Dr. Joon Soo Kim Korea Institute of Geosciences and Minerals Resources, daejeon, KOREA	
11:40~13:00	Lunch 午餐		
13:00~13:40	Environmental aspects and regulatory developments in the EU for the use of alternative materials in construction applications with emphasis on slag from steel production	Dr. Hans A. van der Sloot Senior Scientist, ECN-BKM, Petten, The Netherlands	Prof. C.C. Chao 成功大學永續環境科技研究中心副主任 巢志成 教授
13:40~14:20	Recycling system and state of technique of aluminum recycling	Dr. C.C. Wu 吳佳正 成功大學永續環境科技研究中心	
14:20~15:00	Stabilization of MSWI fly ash using the Microwave Sintering	Dr. C.L. Chen 陳慶隆 Research Center for Environmental Pollution Prevention and Control Technology, Graduate Institute of Environmental Engineering, National Taiwan University	
15:00~15:20	Coffee Break 休息		
15:20~16:00	An investigation of using basic oxygen furnace slag as a structural fill material	Prof. M.S. Ko 柯明賢 Assistant Professor, Department of Materials & Mineral Resources Engineering, National Taipei University of Technology	Prof. M.S. Tsai National Cheng Kung University 國立成功大學 蔡敏行 教授
16:00~16:40	A study on management of laboratory waste effluent from all-level schools in Taiwan	Dr. T.W. Chien 成功大學永續環境科技研究中心	
16:40~17:00	Discussion	Prof. J.E. Chang 國立成功大學永續環境科技研究中心主任 張祖恩 教授
